Kissen High Table

Zenith

Features:

Derived from the German word for 'cushion', Kissen tables provide a soft design language for the workplace.

Designed for the physical and functional requirements of today's diverse work modes; the Kissen family of tables provide settings for social, collaborative and dynamic work spaces.

The high performance understructure makes economic use of components while maximising setting options. These options include table heights, sizes, worktop shapes, leg orientations and wall-bracket mounting.

Options:

- Linear or 45° Leg: 4 or 6 leg tables
- Shark nose edge or square edge tops
- Lockable castors
- Cable management: Felt basket, Omni duct, Cable sleeve and Central power box
- Ctrl rail
- Wall-bracket mounting

Note: Options are dependent on table size/shape

Design: ZENITH DESIGN STUDIO

Certifications: GECA, GREENGUARD, PEFC

Warranty: 10 years

Finishes:

Worktop: 25mm laminate, veneer or custom top

Leg & frame: Powder coated in Zenith House Matt/Satin/Fine Texture range
