

KIPU Ottoman Outdoor

Features:

Multipurpose elements with great versatility, KIPU ottomans are primordial in shape and form. Chatting, working or taking a break, KIPU's various sizes and extreme comfort makes KIPU the ideal breakout zone ottoman. Ottoman with moulded polyurethane foam double density and polyester fiber, all fire-retardant, with protective water-resistant and breathable fabric layer and finished with UV stable outdoor fabric. Base in marine plywood with glides in polypropylene. Water-resistant protective covers are available.

Option:

- Waterproof protective cover
