

KAIKAK Chair

Features:

The Kaiak chair, designed by Estudi Manel Molina, is a classic seat with a fresh and contemporary design. The combination of sleek, subtly curving oak with high quality upholstery makes Kaiak cosy and inviting yet sophisticated and elegant. A piece of furniture that adapts to the idiosyncrasy of Enea to offer designs of great innovation and quality for the furnishing of home and public spaces.

Options:

- Arms
- Base: 4 legs, 4-spoke base, steel tube spin, 5-spoke base with wheels
- 4R spoke base: Fixed or swivel. Fixed model available with castors.
- Felt foot pads

Kaiak made in Spain.
