

# JAC Sled Stool

## Features:

The perfect union of elegance, functionality, and sustainability, the JAC sled stool effortlessly fulfills the seating needs for a multitude of workspaces. JAC sled stool is available in two heights and is stackable six high and two high with upholstered shell. As part of our sustainability commitment, with every JAC sold a tree is planted. JAC shells are now constructed from 95% post-consumer recycled polypropylene, making JAC an even more environmentally responsible choice.

## Options:

- Polypropylene shell with upholstered seat pad
- Upholstered shell in one or two-tone upholstery
- Stacking bumper
