ELEPHANT Lounge Chair

Zenith

Features:

The Elephant Chair is designed as a modern lounge chair and draws inspiration from the upholstered chairs of the 1950s. The chair offers high comfort with the thick upholstery on the back and the seat while preserving simple scandinavian lines.

Drawing characteristics from the Mammoth Chair, the Elephant is like a little brother to the Mammoth Chair making it suitable for smaller spaces.

Options:

- Front or full upholstery
- Footstool
- Glides available in plastic or felt

Design: KRISTIAN SOFUS HANSEN & TOMMY HYLDAHL for NORR11
